

## Specification Sheet

# Papercut Artworks

Relief Artwork is our first collection of artworks designed in-house. Continuing the analogue way of working with designs, the artworks are a result of cutting, embossing, folding and testing a great variety of paper qualities, colors and textures.

Relief Artwork are available in four designs and three sizes. Hang the A5 artwork in an A5 Frame, or size up in the A4 or even A3 for your preferred amount of transparent passe-partout. Same goes for the A4 and A3 sizes – you decide.
